

Dear [name of exempt worker],

**Letter confirming employment details for [name], a seasonal worker from the European Union born on [date of birth]**

Please provide this letter as evidence that you are exempt from Regulations 7 and 8 of the Health Protection (Coronavirus International Travel) (Wales) Regulations 2020 to the extent set out in those regulations.

The purpose of travel to the United Kingdom is to work as a seasonal worker in the edible horticulture sector for [name and address of employer] on [commencement date]. This purpose of travel is exempt from Regulations 7 and 8 to the extent specified by Regulation 10(4)(g) of the Regulations: *to carry out specified activities in relation to edible horticulture, but only if P is residing at the premises in connection with those activities.*

You are therefore required to self-isolate for 14 days on the specified farm, but you are able to begin work immediately. However, you must at all times follow the relevant guidance from the Welsh Government:

[How to self-isolate when you travel to Wales: coronavirus \(COVID-19\)](#)

[Travellers exempt from Welsh border rules: coronavirus \(COVID-19\)](#)

Advice for seasonal workers coming to the UK to work on English farms also applies to Wales and can be found at <https://www.gov.uk/guidance/coming-to-the-uk-for-seasonal-agricultural-work-on-english-farms>

Guidance on how to protect yourself and other from coronavirus can be found at <https://gov.wales/protect-yourself-others-coronavirus>.

During your employment, you will be residing in accommodation provided on the farm, the address of which is [farm address]

Enquiries regarding the provision of this exemption can be directed to [company contact for exemptions] at [provide contact details for company].

Yours sincerely,

[Named company contact]
